BUMLING MINI

Design by Anders Pehrson

A design classic

"It's like a big boulder, Anders!" a friend of designer Anders Pehrson is believed to have said, when he saw the new pendant lamp at the lighting exhibition in Gothenburg in 1968. The lamp was bulky, British racing green and 60 cm in diameter.

This was the birth of Bumling, a Swedish design classic. During the 1970s, a whole range of Bumling lamps was launched. Table, floor and wall versions, alongside many variations on the original pendular Bumling and the outdoor versions.
