# LEVEL OPAL

Design by Olle Lundberg

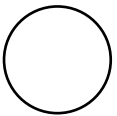

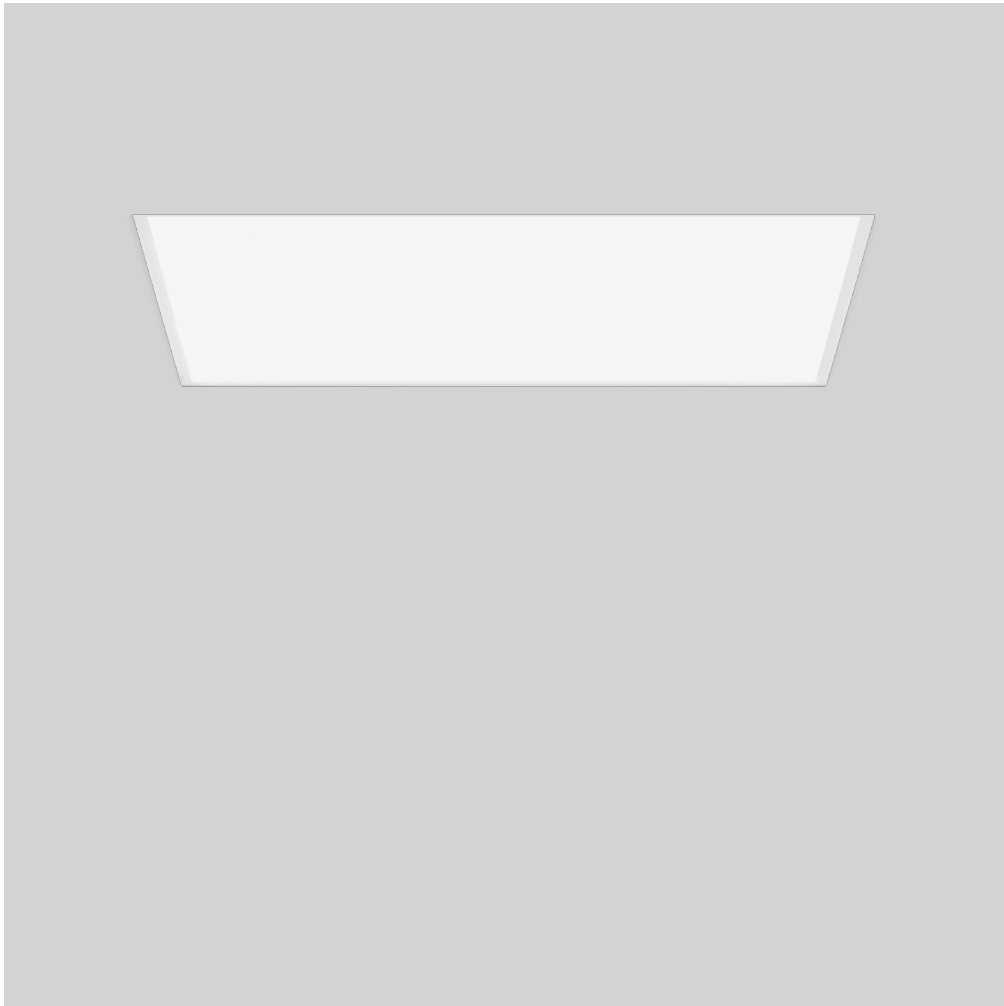

## A discreet and minimalist ceiling lamp

Level is a discreet and minimalist ceiling lamp mounted directly to the ceiling suspension system, designed by Olle Lundberg. The luminaire is also equipped with a light opening in opal optical acrylic glass with high light transmission and equability.

Level is designed for general lighting in offices and conference rooms and meets the latest standard EN 12464-1 for luminance VDU work.

**White**  
RAL 9016

## Technical specifications

<b>Material</b>	Luminaire housing in white lacquered aluminium. Light opening in opal optical acrylic glass with high light transmission and equability.
<b>Installation</b>	Mounted directly in ceiling suspension system. Can also be assembled in fixed ceilings with a surface mounted box or to be suspended with 4 wires (accessory). Plate for circular light opening is also sold as an accessory.
<b>Diffuser</b>	Opal acrylic glass.
<b>Light source</b>	LED light source included, colour temperature: 3000K. Colour rendering: CRI min. 80. Lifetime according to LM80/TM21: L90B10 50 000h/L80B10 100 000h.
<b>Other</b>	IP40. Not for outdoor use. Please note that luminaire thickness is 8mm without driver. If needed, the driver can be placed next to the luminaire instead.
<b>Light scattering</b>	Symmetrical downlight, 115°
<b>Driver</b>	Equipped with latest generation LED driver. Regulates the light with amplitude modulation creating a flicker-free light. Dimming 1-100%. Lifetime: 100 000h (max 10% loss)
<b>Weight</b>	3,8 kg
<b>Connection</b>	Halogen free cable with free wire ends or quick connector. Driver to be placed above the suspended ceiling. The driver can be fixed on the back of the luminaire with pre-mounted tape.
<b>Energy classification</b>	This product contains a light source with energy efficiency class E to regulation (EU) No 2019/2015
