OPPI

Design by The Studio

Exclusive expression

In 2015, the collaboration with Kristianstad municipality started regarding a specially designed city luminaire. Equipped with the city's coat of arms "C4" in brass, the luminaire signals pride and a unique expression.

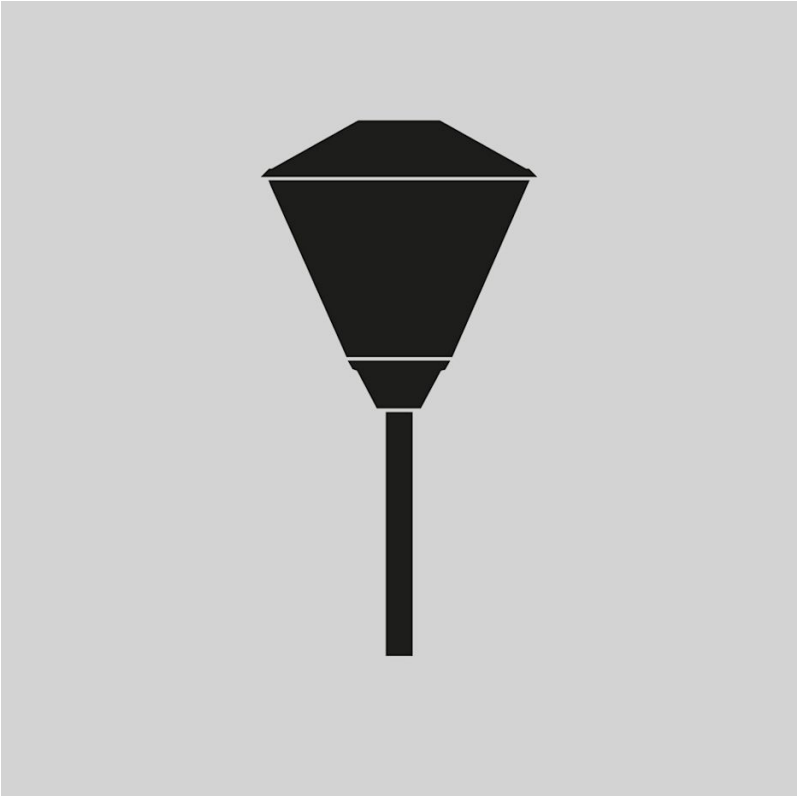

The luminaire is now being launched without the city´s coat of arms, but with the exclusive expression for the public space retained. The light in the luminaire is diffused via a microprismatic acrylic glass to be spread on the city's streets and squares through the clear glass of the dome.

Black
RAL9005

Technical specifications

Material	Frame in lacquered aluminum. Shade in impact-resistant acrylic.
Installation	Post Ø76 mm. Adapter for Ø60 mm post (accessory).
Connection	3G1.5 mm cable, 4 meters.
Light source	LED 3000K, CRI> 80 SDCM 3. Other color temperatures on request.
Driver	Full Programmable Outdoor LED driver. Programmable driver that enables functions such as DALI and night setback. Article number is available on request. Lifespan 100,000h (max. 10% loss).
IK-class	10
Energy classification	This product contains a light source of following efficiency class Light source with CRI and CT 830/840 - Class C
